Dear Recipient,

My name is Dallin Edmunds and I am looking to start my career in web development. I have been studying and practicing for nearly a year and have enjoyed the journey so far. I'm looking to continue growth in this field and the position offered would give me that opportunity.

I'm looking for a position that would challenge what I already know and expand more on my skill. I'm excited to get started.

Thank you for your consideration and look forward to hearing back.

Sincerely,

**Dallin Edmunds**
